at RICHMOND PLASTIC SURGEONS

At Cosmedics, we perform procedures to correct sun damage, fine lines, and early signs of aging. Our licensed Master Aestheticians offer a wide range of skin care services to meet all of your needs. Cosmedics also provides laser rejuvenation, hair removal and vascular treatments along with the medicinal services of a certified massage therapist. Our line of medical and pharmaceutical skin care products can make your skin look younger and more beautiful.

# options

**MICROPEEL FACIAL:** A corrective treatment that combines physical exfoliation, alpha hydroxyl acid therapy and a Vitamin C masque. Designed to remove dead skin cells and create cellular turnover which will improve fine lines, dry skin, sun damage and uneven pigment. \$90

**ULTRA PEEL:** TCA/Lactic appropriate for all skin types, effectively treats acne, aging skin, sun damaged skin and smoker's skin. Expect flakiness for about 3 days. \$125

**SENSI PEEL:** TCA/Lactic for sensitive skin types and suitable for Rosacea, addresses redness and uneven texture and pigment disorders. Effectively treats acne and gives instant tightening. \$125

**PUMPKIN PEEL:** Powerful antioxidant treatment that uses fruit acid enzymes which activate cellular turnover. This treatment contains Vitamin A and reduces oxidative and free radical stress. Appropriate for all skin types. \$125

**OBAGI RADIANCE PEEL:** A unique blend of acids to provide a gentle, but effective peel, resulting in tighter, smoother, brighter looking skin. \$125

**SOUTH BEACH PEEL:** A TCA peel that can range from a mild to aggressive treatment depending on skin type and condition. This peel can be used on any part of the body. Expect peeling for 3 to 4 days post peel. \$200 - \$300

**VI PEEL:** One of the stronger, more aggressive peels, contains TCA, salicylic acid, Phenol, Retinoic Acid, Vitamins and microelements, all combined to address aging skin. Expect peeling for 3 to 5 days post peel. \$325

**JET PEEL:** A treatment that "pressure washes" the skin with saline solution, oxygen and anti-oxidant serums, delivered at supersonic speed. This gentle exfoliation unclogs pores, improves skin texture, and reduces fine lines while hydrating deep below the skin's surface. \$125

**VASCUTOUCH:** Removal of skin tags, cherry angiomas and keratoses. \$50/100/150

**LASER HAIR REMOVAL, SKIN REJUVENATION (HYPERPIGMENTATION) AND TREATMENT OF BROKEN CAPILLARIES.** Starting at \$75

**MASSAGE:** Swedish, Deep Tissue, Myofascial Release, Reflexology and Pre-Natal. Our massage therapist also works with breast cancer patients to help alleviate pain and stress during the difficult period of treatment and reconstruction. 1 hr./\$75
